16ft x 8ft	-	£1,675.00	£1,750.00

1 or 2 Fixed Panes (or none)

Single Door

Heavy Duty Mineral Felt

BASIC RANGE

Made from tongue and groove boards at 12mm weatherboarding. The framing used is 2" x1 ½". Roof and floor are constructed using tongue and groove boards. Heavy duty mineral felt used on the roof which is secured using felt nails. Shed is finished off with a lavish water base treatment.

DELUXE RANGE

This range is made with the same materials as the basic but the framing used is approx. 64x38mm cls timber.

SUPERIOR RANGE

This range is again, made with the same materials as the Deluxe range but the weatherboarding increases to 15mm.

OTHER SIZES INBETWEEN CAN ALSO BE MADE ON REQUEST

Delivery is included for a distance up to 20 miles from our manufacturing place. After 20 miles, there is a delivery charge – please provide us with your full postcode
